

## about the KNIGHTWIND ENSEMBLE

The Knightwind Ensemble is an adult Milwaukee area musical group that traces its roots back to 1956.

The group is composed of about 50 musicians from all walks of life, who volunteer their time for the love of music. The group consistently plays challenging music, both old and new, for their audiences. The performances have included a number of Wisconsin and Milwaukee Premieres over the years, and in 1989, the Knightwind Ensemble commissioned and performed the World Premiere of *IMPRINTS* by Timothy Mahr.

### OUR ONGOING MISSION

The mission of the Knightwind Ensemble is to foster, encourage, and develop the appreciation of wind music.

The Ensemble provides the means and facilities to afford qualified musicians the opportunity to participate in a musical organization for the cultural enrichment of the community.

### WHY WE NEED YOUR HELP

The Knightwind Ensemble performs three concerts per year and raises funds for these concerts through ticket sales and memberships in the Friends of the Knightwind Ensemble. In addition to concert costs, the purchase of new music and the daily operating expenses are paid for solely through the generosity of people like you. Please help us continue to bring quality wind ensemble music to the Milwaukee area by joining the Friends of the Knightwind Ensemble.
